2024 SIMPLIFIED DECLARATION SCALE

This option is accessible to marketers who **do not declare products eligible for eco-modulation** and with **declared volumes of less than 5000 items/year**.

The declaration is completed as quantities placed onto the market per product category: Clothing, Household linen, Footwear.

The tariff per item is increased. This tariff is increased to cover the non-declaration of products eligible to eco-modulation and the absence of traceability.

CATEGORY	Simplified declaration tarification en €/item
 Clothing	0,4791 €
 Household linen	0,5391 €
 Footwear	0,5301 €
